

INDEX TO VOLUME II.

	PAGE.		PAGE.
A		Bridge, R., Operations of the Lower Urinary Tract under Local Analgesia 190	
Abdominal Cavity and Peritoneum, by E. M. Livingston (rev.) ...	219	Brown, A. E.	214, 429
Amreich, I.	426	Brown, C. J. O.—	
Anæsthesia—		Difficulties in the Diagnosis of	
Modern General, by J. G. Poe (rev.)	219	Acute Appendicitis	411
Practical, by Anæsthetic Staff of the Alfred Hospital (rev.) ...	333	Treatment of Varicose Ulcers ...	70
Analgesia—		Brown, R. K. Lee, Primary Closure in Prostatectomy	339
Local—		Buchanan, J. M., Junior	336, 435
Operations of the Lower Urinary Tract under, by R. Bridge	190	Burnell, G. H., and Mayo, Carbuncle of the Kidney	205
Technique for Induction of, in Urinary Tract, by W. Perry	187		
Spinal—		C	
Controllable Form of, with Grading of Dosage	332	Cancer: Civilization: Degeneration, by J. Cope (rev.)	218
Damage to Spinal Cord Following	330	Carcassonne, F.	209
Present Position of, by B. T. Zwar	315	Carbuncle of the Kidney, by H. Mayo and G. H. Burnell	205
Anderson, J. R.	110	Case Reports—	
Angina Pectoris, Surgical Treatment of	215	Abnormal Right Hepatic Artery, by J. Turner	98
Anus, Artificial, Control of	432	Carbuncle of the Kidney, by H. Mayo and G. H. Burnell	205
Appendicitis, Acute, Diagnosis of, by C. J. O. Brown	411	Case of Hydatid of the Kidney, by V. Hurley	326
Arthroplastic Resection of the Hip Joint	430	Dermoid Cyst of the Spinal Canal, by P. L. Hipsley	421
Asthma, Francis Treatment of, by A. Francis (rev.)	216	Eventration of the Diaphragm, by R. S. Foster	200
Axhausen	210	Four Cases of Pituitary Tumour, by C. Robertson	86
		Recurrent Dislocation of the Left Shoulder, by K. S. Macky	421
B		Recurrent Dislocation of the Right Patella, by K. S. Macky	203
Bailey, H., and Love (Short Practice of Surgery)—		Retained Tracheotomy Tube, by P. L. Hipsley	423
Volume I (rev.)	217	Tic Douloureux of the Glossopharyngeal Nerve, by L. H. Ball	94
Volume II (rev.)	433	Univesicular Hydatid Cyst of the Kidney, by R. Flynn	99
Ball, L. H., Tic Douloureux of the Glossopharyngeal Nerve	94	Unusual Breast Case, by E. T. Cato	97
Barnett, Louis	335	Cato, E. T., An Unusual Breast Case	97
Biliary Obstruction, Pre-Operative Treatment of, by R. D. Wright	392	Coates, A. E.	210, 214
Bloch, M. M. J. C.	429	Colon Surgery: Sigmoidectomy, by H. B. Devine	76
Bolliger, A., and Walker-Taylor, Late Results after Unilateral Uretero-Intestinal Anastomosis	33	Colville, H. C.	110
Bonnet, P.	209	Points in the Diagnosis of Intracranial Tumours in Childhood	403
Books Received	439	Colyer, J. F., and Sprawson (Dental Surgery and Pathology) (rev.)	217
Breast—			
Case, An Unusual, by E. T. Cato	97		
Some Diagnostic Points in Diseases of the, by A. J. Trinca ...	395		

	PAGE.		PAGE.
Cope, J. (Cancer: Civilization: De- generation) (rev.)	218	Encephalography, by R. A. Money and E. Susman	47
Corrigenda—		Exercise, Physiology of, by Schmidt and Kohlrausch (rev.)	220
Fibrocystic Disease of the Jaw ..	224		
Report of Annual Meeting, 1932..	224	F	
Cutting, R. A. (Principles of Pre- Operative and Post-Operative Treatment) (rev.)	215	Fagge, C. H.	224
Cysts, Epithelium-Lined Blood, of the Ovary, by E. S. J. King....	348	George Adlington Syme Oration..	5
		Fairley K. D., and Kellaway, Value of Laboratory Investigations in Hydatid Infestation	236
D		Fistula, Extrasphincteric Rectal ..	214
D'Arey, F. F.	107, 112, 430	Flynn, R., Univesicular Hydatid Cyst of the Kidney	99
Davies, F., and Wakeley, Abdominal Incisions	381	Fontaine, R.	213
Dermoid Cyst of the Spinal Canal, by P. L. Hipsley	421	Foster, R. S., Eventration of the Diaphragm	200
Devine, H. B.	106, 110, 432	Fracture of the Malar Bone, De- pressed—	
Colon Surgery: Sigmoidectomy ..	76	Diagnosis of, by F. Maclure ...	415
Dew, H. R.	224	Reduction of, by F. Maclure ...	420
Diagnosis, Short Papers on, from the Surgical Clinic of the Alfred Hospital—		Fracture Extension Systems, by C. Gale	172
Appendicitis, Acute, by C. J. O. Brown	411	Fractures of the Neck of the Femur Treated by a Fibular Bone Graft, by B. Kilvington	152
Breast, Diseases of, by A. J. Trinca	395	Francis A. (The Francis Treatment of Asthma) (rev.)	216
Errors, Instructive, by B. Quick	406		
Fracture, Depressed, of Malar Bone, by F. Maclure	415	G	
Intracranial Tumours of Child- hood, by H. C. Colville	403	Gabriel, W. B. (Principles and Prac- tice of Rectal Surgery) (rev.)	433
Sacro-Iliac Joint Disease, by J. Kennedy	400	Gale, C., Fracture Extension Systems	172
"Silent" Foci in Surgical Tuber- culosis, by H. C. Trumble	409	Generative Organs, Female, Surgi- cal Pathology of, by A. E. Hertzler (rev.)	108
Diaphragm, Eventration of, by R. S. Foster	200	George Adlington Syme Oration, by C. H. Fagge	5
Dick, B. M., and Illingworth (Surg- ical Pathology) (rev.)	218	Glissan, D. J., Use of the Plantaris Tendon in Plastic Surgery	64
Dislocation, Recurrent—		Goitre, Toxic, by H. H. Turnbull and A. Newton	244
Of the Left Shoulder, by K. S. Macky	421	Guiheneuc, O.	429
Of the Right Patella, by K. S. Macky	203		
Oudard's Operation for, of the Shoulder	429	H	
Downie, E., Glucose Tolerance in Cases of Recovered Pancreatitis	141	Hailes, W. A.	108
Doyle, L.	111	Hepatic Artery, An Abnormal Right, by J. Turner	98
		Hernia, Inguinal, Schmieden's Operation for	104
E		Hertzler, A. E. (Surgical Pathology of Female Generative Organs) (rev.)	108
Editorial Notices	2, 114, 226, 338	Hesse, F.	432
Edye, B. T., Acute Obstruction of the Small Intestine	160	Hipsley, P. L.—	
Embolism, Mesenteric, by J. Smith, Junior	309	Dermoid Cyst of the Spinal Canal	421
		Retained Tracheotomy Tube	423

	PAGE.		PAGE.
Hurley, V.	108	Livingston, E. M. (Clinical Study of the Abdominal Cavity and Peritoneum) (rev.)	219
Case of Hydatid of the Kidney	326	Love, R. J. McN., and Bailey (Short Practice of Surgery)— Volume I (rev.)	217
Hydatid— Cyst of the Kidney, Univesicular, by R. Flynn	99	Volume II (rev.)	433
Infestation, Value of Laboratory Investigations In, by K. D. Fairley and C. H. Kellaway ...	236	M MacCallum, P.— Goitre, Toxic, Pathology of	273
Of the Kidney, by V. Hurley	326	Rhabdomyoma of the Extremities	296
Hypospadias, Treatment of, by R. B. Wade	417	Macky, K. S.— Recurrent Dislocation of the Left Shoulder	421
I Illingworth, C. W. F., and Dick (Text Book of Surgical Path- ology) (rev.)	218	Recurrent Dislocation of the Right Patella	203
Incisions, Abdominal, in the Light of Recent Work on the Inter- costal Nerves, by F. Davies and C. P. G. Wakeley	381	Maclure, F.— Diagnosis of Depressed Fracture of Malar Bone	415
Incontinence, Urinary, in Women..	426	Reduction of Depressed Fracture of Malar Bone	420
Intracranial Tumours, Points in the Diagnosis of, in Childhood, by H. C. Colville	403	Matas, R.	215
Intravenous Administration of Blood and Physiological Solu- tions, Technique of the, by I. J. Wood and C. W. Ross	317	Mathieu, P.	430
Intravenous Therapy, Continuous, by H. M. Wilson and D. C. Moller	194	Mayo, H., and Burnell, Carbuncle of the Kidney	205
J Jenkins, J. A., Diagnosis and Treat- ment of Stone in the Ureter ..	21	Melbourne Hospital and the De- velopment of Surgery in Vic- toria, by B. T. Zwar	227
Joll, C. A. (Diseases of the Thyroid Gland) (rev.)	215	Melbourne Hospital Number	225
Jubé Syringe, Transfusion of Blood by, by D. Robb	198	Mercer, W. (Orthopaedic Surgery) (rev.)	334
K Kellaway, C. H., and Fairley, Value of Laboratory Investigations in Hydatid Infestation	236	Michelsen, J.	330
Kennedy, J.	110	Miller, D. I.	224
Sacro-Iliac Joint Disease	400	Moller, D. C., and Wilson, Contin- uous Intravenous Therapy	194
Kilvington, B., Fractures of the Neck of the Femur Treated by a Fibular Bone Graft	152	Money, R. A., and Susman, Encephalography	47
King, E. S. J., Epithelium-Lined Blood Cysts of the Ovary	348	Morris, J. N.	112
Kirschner	332	Mushin, M., Urinary Diastase in Acute Pancreatitis	133
Kohlransch, W., and Schmidt (Physiology of Exercise) (rev.)	220	N Neuroblastoma, by F. Tidswell and H. R. Sear	360
Kunz, H.	106	Newton, A.	109
L Leriche, R.	213	And Turnbull, Toxic Goitre ...	244
Littlejohn, C. W. B.	109	O Obstruction, Acute, of the Small In- testine, by B. T. Edye	160
Osteochondritis	278	Ombredanne, L.	417
		Original Articles— Abdominal Incisions in the Light of Recent Work on the Inter- costal Nerves, by F. Davies and C. P. G. Wakeley	381

	PAGE.		PAGE.
Original Articles—Continued.		Otolaryngology, Principles and Practice of, by F. W. Watkyn Thomas and A. L. Yates (rev.) 434	
Abnormal Retinal Correspondence, by T. a'B. Travers 145		P	
Acute Obstruction of the Small Intestine, by B. T. Edye 160		Pancreatitis—	
Acute Pancreatitis, by B. Quick 115		Acute, by B. Quick 115	
Diagnosis and Treatment of Stone in the Ureter, by J. A. Jenkins 21		Glucose Tolerance in Cases of Re- covered, by E. Downie 141	
Diagnostic Procedure of Encephalo- graphy, by R. A. Money and E. Susman 47		Urinary Diastase in Acute, by M. Mushin 133	
Epithelium-Lined Blood Cysts of the Ovary, by E. S. J. King .. 348		Pathology, Text Book of Surgical, by C. F. W. Illingworth and B. M. Dick (rev.) 218	
Fractures of the Neck of the Femur Treated by a Fibular Bone Graft, by B. Kilvington 152		Peritonitis, Serum Treatment of .. 106	
George Adlington Syme Oration, by C. H. Fagge 5		Perry, W., Technique for Induction of Local Analgesia in the Lower Urinary Tract 187	
Late Results after Unilateral Uretero-Intestinal Anastomosis, by A. Bolliger and P. N. Walker-Taylor 33		Peterman, J. 214	
Melbourne Hospital and the De- velopment of Surgery in Vic- toria, by B. T. Zwar 227		Phalangization of the First Meta- carpal Bone 209	
Mesenteric Embolism: Three Cases of Recovery, by J. Smith, Junior 309		Pituitary Tumour, Four Cases of, by C. Robertson 86	
Neuroblastoma, by F. Tidswell and H. R. Sear 360		Plantaris Tendon, Use of the, in Certain Types of Plastic Sur- gery, by D. J. Glissan 64	
Observations on Glucose Toler- ance in Cases of Recovered Pan- creatitis, by E. Downie 141		Poe, J. G. (Modern General Anæ- sthesia) (rev.) 219	
Osteochondritis, by C. W. B. Littlejohn 278		Position, Note on the Lateral, by H. C. Trumble 68	
Pre-Operative Treatment of Biliary Obstruction, by R. D. Wright 392		Post-Graduate Study— Facilities in Melbourne 435	
Present Position of Spinal Anal- gesia, by B. T. Zwar 315		Prostatectomy— And Local Analgesia, by R. Bridge 190	
Primary Closure in Prostatec- tomy, by R. K. Lee Brown .. 339		Primary Closure in, by R. K. Lee Brown 339	
Rhabdomyoma of the Extremities, by P. MacCallum 296		Q	
Toxic Goitre, by H. H. Turnbull and A. Newton 244		Quick, B. 110	
Treatment of Perforated Peptic Ulcers, by H. Searby 168		Diagnosis, Instructive Errors in 406	
Urinary Diastase in Acute Pan- creatitis, by M. Mushin 133		Pancreatitis, Acute 115	
Value of Laboratory Investiga- tions in the Diagnosis of Hydatid Infestation, by K. D. Fairley and C. H. Kellaway .. 236		R	
Osteochondritis, by C. W. B. Little- john 278		Retinal Correspondence, Abnormal, by T. a'B. Travers 145	
		Reviews—	
		Cancer: Civilization: Degenera- tion, by J. Cope 218	
		Clinical Study of the Abdominal Cavity and Peritoneum, by E. M. Livingston 219	
		Dental Surgery and Pathology, by J. F. Colyer and E. Sprawson 217	
		Diseases of the Thyroid Gland, by C. A. Joll 215	
		Francis Treatment of Asthma, by A. Francis 216
